

# Colorado School of Mines Alumni Association Annual Report

July 1, 2008 - June 30, 2009

## Membership in the Colorado School of Mines Alumni Association

For more than 100 years, CSMAA has operated as a nonprofit organization dedicated to serving the interests of Mines and its alumni. In this report we present our 2009 members and donors who either joined or donated to CSMAA sometime between July 1, 2008 and June 30, 2009. Those who joined or donated after June 30, 2009 will appear in next year's annual report. Without the help of our members, the Alumni Association would be unable to provide valuable services and programs for both alumni and students. Thank you for your continued support.
